LOCATION

This prominent stone fronted building is in the centre of Northampton, opposite St Giles Church, in the heart of Northampton's Town Centre. Nearby occupiers include Nandos, Prezzo, banks, building societies along with both national and local retail outlets.

Northampton is a strategically located regional centre with a population in excess of 200,000 and a catchment area population of approximately 325,000. This County Town is situated approximately 67 miles north-west of London and about 55 miles south-east of Birmingham. Lines of communication have steadily improved and the town now has excellent access to the M1/A45, A14 and A34. There are regular rail services to London (Euston) and Birmingham (New Street), all of which give Northampton good local and national connections.
