Location

The Ridings Arcade is an extension of an existing arcade between Hennies and Morritz (H & M) and the former Co-op store on Abington Street through to St Giles Street, connecting the prime retail area to the town's Post Office and busy commercial/retail area around St Giles Street/Derngate.

The units form part of the development which is a redesign of The Ridings Arcade, an original 1939 Co-operative Store with art deco façade comprising ten retail units of varying sizes having frontages to, and access from, both St Giles Street and The Ridings.

Northampton is a strategically located regional centre with a population in excess of 190,000 and a catchment area of approximately 294,000. Lines of communication have steadily improved, with Northampton now accessible to the M1 motorway via Junctions 15, 15A and 16, whilst the A14 (M1/A1 link road) lies 16 miles north-east of the town.

Description

The Ridings Arcade has undergone a total refurbishment with glazed tiles, marble and metal effects, giving a light and airy atmosphere for shoppers but at the same time returning the art deco environment for this part of the town centre to its original splendour. The subject property provides ground floor lock-up retail accommodation with ancillary storage/office accommodation to the rear. There is rear access for deliveries and loading.
